ABOUT CLAP DUBAI

CLAP Dubai, located in the heart of the prestigious Dubai International Financial Centre (DIFC), is the only rooftop restaurant and lounge in the area. CLAP effortlessly combines authenticity with innovation to create a sensory Japanese dining experience.

The whole venue incorporating indoor restaurant, terrace, bar and lounge accommodates 380 guests. CLAP's interiors feature extraordinary design elements such as an eclectic chandelier, consisting of 2,100 toys hanging high in the restaurant's reception and the bar, decorated with hundreds of big-title books. It's the juxtaposition of these modern, bold design elements against the natural woods and solid stone used across the kitchen, seating, and flooring that create a vibrant place to eat, drink and socialise.

RESTAURANT BAR

Decorated with hundreds of books and a suspended toy-conveyor belt which seemingly make the likes of Super Mario circle above, the bar is undoubtedly the centerpiece of the restaurant. CLAP's cocktails are inspired by the nightlife of Tokyo and have been passionately crafted to create a hyperreal sensory experience. Each cocktail creation incorporates ingredients that make it authentically Japanese, staying in line with CLAP's philosophy. Guests are treated to yuzu infused Roku gin, unfiltered sake, wasabi infused rye whiskey, Midori, wagyu fat-washed Yamazaki 12 and Toki Japanese whiskey, to name a few. To add to the selection, there is also an extensive mocktail list available incorporating the freshest ingredients.
