

Welcome to a captivating expedition into the heart of Nippon culture, where every cocktail tells a unique story. Influenced by Japan's heritage, our menu unfolds across six distinctive regions, encompassing vibrant cityscapes, tranquil forest temples, and the futuristic Neo Tokyo.

With 26 meticulously crafted cocktails, our bartenders have woven Japanese aromas and fresh flavours into each libation.

Beyond the glass, our passion reverberates through drinks, music, and those who appreciate life's pleasures.

At CLAP, we are part of the ever evolving movement of experience seekers. Since our inception, we've mastered the art of seamlessly blending authentic Japanese elements and innovation.

We are not just a destination; we are an experience, and we invite you to be a part of it.

This menu is a testament to our unrelenting passion for creativity and exquisite taste, reflecting experiences that transcend the simple enjoyment of a cocktail.

Join us in raising a toast to unforgettable moments and the artistry of mixology that brings them to life.
