## BURGUNDY WHITE & CHARDONNAY

ブルゴーニュホワイト

Chardonnay is renowned for being a dry, medium-bodied white with notes of pear, guava, lemon-peel and apple. Adding oak when ageing shifts the flavour to give off strong hints of butter and vanilla. White Burgundy is unquestionably one of the greatest wines of the world. Almost exclusively made from Chardonnay on limestone soil, it can express both power and finesse.

## SAUVIGNON BLANC, SEMILLON & CHENIN

ソーヴェイニヨンブランとセミヨンシュナン ブラン

French Sauvignon Blanc is characterised by cut-grass, gooseberry and flint notes. New Zealand's takes on a pungent green grass and tropical fruit notes. In Bordeaux, it's often blended with Semillon to produce a richer dry wine.

The home of Chenin Blanc is focused around the Loire Valley and South Africa.  
Expect crisp, dancing acidity with flavours of peach, pear, honeysuckle and ginger.
